Phase VI Qs v2.docx

Here are the questions about the draft proposal that R8 is giving to the State (see Word file attached to Ayn's email). From what I can see, Ayn has captured our review comments. Take a look and let me know if anything is missing. I need to get any additional comments to Ayn by 5 PM CST/6 PM EST.

As Bob requested yesterday, we have transposed the comments on the state's proposed investigation into questions. Gary and Dave, if you have any comments/additions you'd like to suggest, can you please provide them to me by 4 pm mountain time today? I can make any needed changes and send along to Bob, Sarah, etc by our cob today.
